UMC LEARNING

Uppsala Monitoring Centre
hereby certifies that

Lara Fariña

has successfully completed the self-paced course

VigiBase - Introductory course

COURSE DURATION: 2 hours

DATE OF ISSUE: 21 Nov 2026

Uppsala Monitoring Centre

Uppsala Monitoring Centre (UMC) is an independent, self-funded, non-profit foundation dedicated to safer use of medicines and vaccines. UMC advances the science of pharmacovigilance and transforms its practice through technological innovation. *www.who-umc.org*

UMC is not an academic institution, this document is not a professional qualification
