UMC LEARNING

Uppsala Monitoring Centre
hereby certifies that

Arutchelvi Swetha

has successfully completed the self-paced course

Essentials of pharmacovigilance communications

COURSE DURATION: 1 hour

DATE OF ISSUE: 11 Nov 2026

Uppsala Monitoring Centre

Uppsala Monitoring Centre (UMC) is an independent, self-funded, non-profit foundation dedicated to safer use of medicines and vaccines. UMC advances the science of pharmacovigilance and transforms its practice through technological innovation. *www.who-umc.org*

UMC is not an academic institution, this document is not a professional qualification
